CUSTOMISATIONS

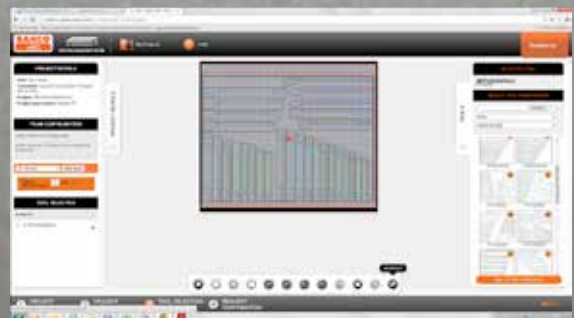

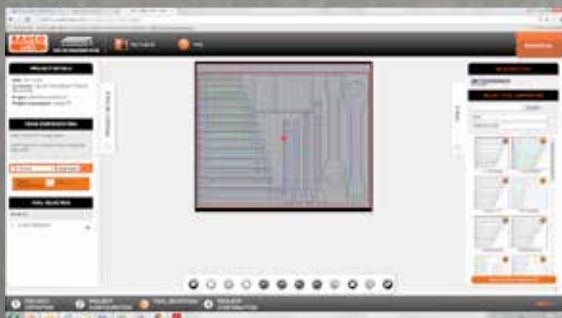

➤➤ FIT&GO SYSTEM. EVERY TOOL IN ITS PLACE

Bahco has developed the new **Fit&Go System** for different applications, such as Aviation, Industrial Maintenance, Automotive Industry and Power Generation, etc. Thanks to the new **Fit&Go System**, you can create personalised combinations using modules **1/3**, **2/3** and **3/3**.

The  has been developed for the 26" Bahco trolleys.

In addition, all modules can be personalised using the **Bahco ERGO TMS Configuration Manager**, making it possible to modify one or more of the tools making it up after ungrouping the content. Contact your local Bahco representative for further information.
